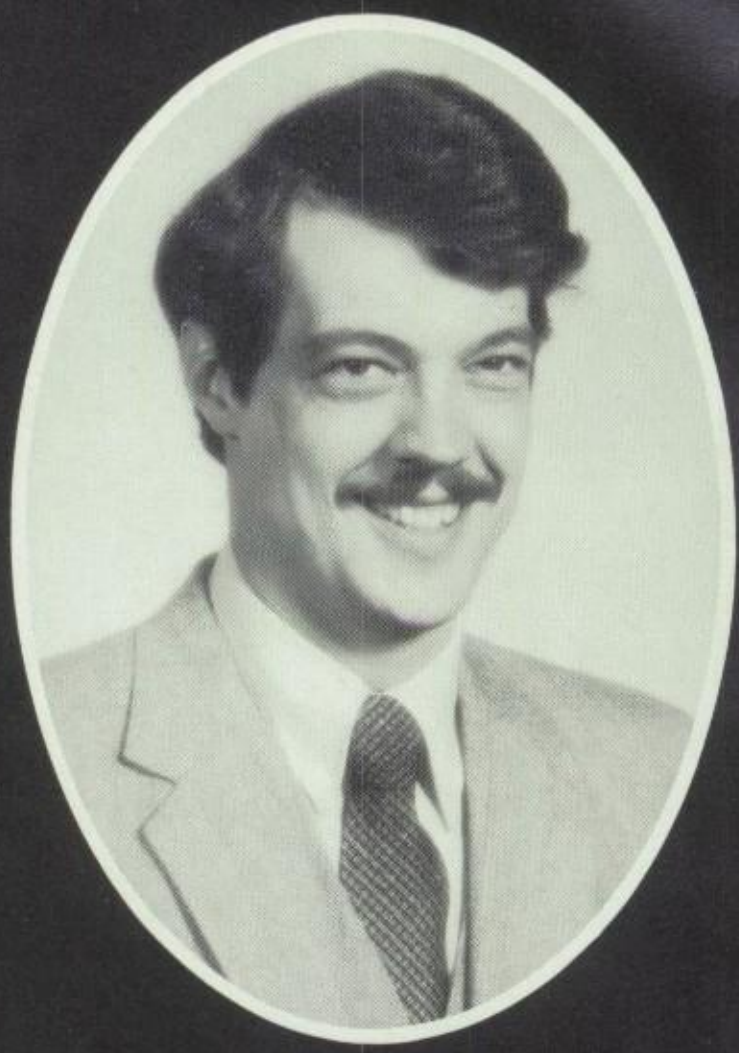
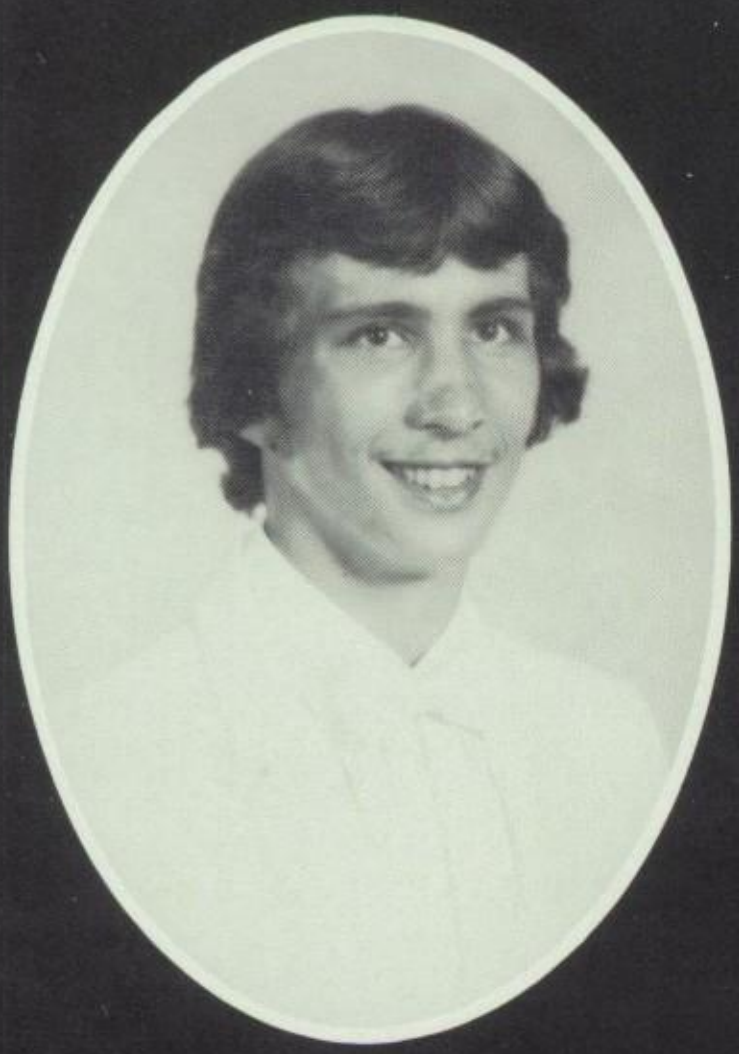
It is with great dedication and much hard work that you have reached this stage in your life. Hopefully, you have been proud of your success and learned from your mistakes. This is a dawning of a new era in your life; may your experience at Palmersville High School assist you in meeting the challenges ahead.

James Paul Oliver





On behalf of the senior class, I would like to express our sincere gratitude to all those responsible for this senior year at PHS. Above all, I would like to thank the parents and faculty for their understanding and dedication to our education, for they helped us learn from our mistakes.

I hope that future students will look back on these pages so that they might remember and learn from the mistakes we made, whatever they might be. God bless PHS!

I, Anita Biggers, will the following: all my love to Terry; to William, Joshua, and Robert Lee twelve great years at Palmersville School; to my dearest sister-in-law Renee, a lifetime supply of bouncing beach balls (PJ).

I, Barbara Biggers, being of sound body and confused mind, will to Linda Biggers the ability to talk in class; to Lynnette P. and Lori H. the ability to roam the halls and not get caught; to Roann C. a lifetime supply of green M&M's (PJ); and to Ricky Boyd all my love and affection and the ability to be on time.

I, Carla (Sissy) Bruce, being of sound mind and short body, hereby bequeath the following: to Buddy a lifetime of happiness; to Scott the ability to dip a girl without dropping her; to Randy one Memorex tape of Samuel, to Carla Green the ability to be the only "Carla" in school; to Brad Turbyville the promise kept of having him in my will; and to Amanda the best of luck at PHS!

I, Dreama Caldwell, will to Gump and Gumball, more good times; to Lynette P. a jr.; to Dot the ability to drive on an icy soot and not loose her head; to Lisa K. a haunted gravel road; to Ricky the ability to be the best at whatever he attempts to do; to Lenny the ability to get through 6th grade within five years time; to Keith, Chris, Jeff, Deana, and Karen all my love.

I, Lou (LuLu) Chadwick, being of sometimes shakey but stable mind, and thin body bequeath the following: to Scott a free pass to SCOOTCIES (PJ); to David one hot seat (PJ); to Randy one well used REO tape; to Carla Green the ability to go to Midsouth Fair and lose a milkshake (PJ); to Melissa E. and the freshmen many happy memories at PHS!!!

I, Roann Clark, will to: Oscar, a muzzle; Creampuff, "No-more-tears" all vocational people, *green* M&M's and seatbelts; Dreama, either a Duracell or a male companionship that'll last; to everybody, the happiness that life may not bring!!; and that Barry and I will always be together.

I, Tracy Copeland, being of little mind and clumsy body, will to Dot the ability to be crippled; to Renee a pizza; to Alice the ability to get through her senior year; and to everyone else at PHS all the happiness and good times you can have and get away with.

I, Tracie Fagan, being of nobody but myself do hereby bequeath the following: to Gina Jackson, another fun year at PHS and a year's supply of gas for being my part-time busdriver; to Renee Bynum a pooper-scooper for her dog Goober (PJ); to Melanie McClain a recipe for "Backyard Cherry Pie" (PJ); to Melissa McClain another chance at getting a new brain, and all the pizza she can hold; and to everyone left, more good years at PHS!

I, Kim (Berly) Garner, being of racked mind and squirrely body, do hereby bequeath to the following: Gina Jackson I leave you one more year at PHS with all the fun and all the tests!; Melissa, Renee, and Melanie, I leave yal a few more years with Mr. Montgomery (more power to ya!); last but not least I leave to the teachers (more than willingly) my untamed brother Shane.

I, Tammy (Louise) Laws, to hereby bequeath the following: to Scott, Randy, and David the management of "SCOOTCIES;" to Melissa one terrifying Halloween and a blow dryer; to Gertrude one original name; to Carla Green her name in this will; and to next year's annual editors a lot of patience and luck!!!

I, Dale Leo, being of weak mind and sound body do hereby bequeath the following: to T. J. the ability to beat a Chevy; to Brent the ability to be bad; to Benjie one more year!; and last but not least to Kristi and Tammy all my thanks for writing this!

I, Kirk McAlister, will bequeath to Benji Harris my driver's license; to anyone who gets a new basketball, locker #14; to Mrs. Childs the ability to teach everyone how to do-se-do; to Mr. Montgomery one trouble-free year (Good Luck!); and to everyone else many fun years at PHS.

I, Teresa McDaniel, being of confused mind and unsturdy body, will my ability to get up and walk out of class without permission and not get into trouble to anybody crazy enough to try it.

I, Sonya McFarland, being the great person I am will myself to Kirk Taylor; to Mickey Burcham locker #10 if she ever makes it to her senior year; to Cheryl Freeze a year's supply of hair straightener; and to the class of '84 one more *fun* year at PHS?!?!

I, Lisa Maison, being of sound mind and strong body, will to my loving brother (ha!ha!), James Luckett, the ability to come to school at least three days a week; to Curtis Webb the ability to keep his pants up; to Frank Potts, a very good friend, my great artistic ability in shop; and the rest of students the best of luck in their future years at PHS.

I, Wendy Maxey, being of unfathomable mind and distinctive personality, do will to the following: to my brother Todd the ability to go a full year without getting paddled; to Coach Richards the fortitude to coach an entire game without trying to re-educate the referees; to Mr. T. my best wishes and a year's supply of tranquilizers; and lastly, to my fellow graduates, the wish that the coming years bring them happiness and success in whatever they do.

I, Teresa Evelyn Morris, being of unsound mind and slim body, leave the following: to Lori Hill I leave my intelligence; to Vicki Doster I leave my ability to stay out of trouble and one empty case; to Frank Potts I leave all my crazy ways; to all the Juniors I leave Mrs. Oliver (maybe you'll be able to pass her tests); I leave to all the rest many happy years to come at PHS.

I, T. J. Rook, will the following: to Robin Montgomery, a cure for senioritis; to Benjie one season pass to roff-top (M)-Ball; and to Darrel and Brent the ability to keep two hands on the handle bars and 8 (P.M.); to Terri James the ability not to get embarrassed so easily.

I, Cindy Smethwick, being of fried mind and body, do will the following: to Missy a gallon of orange juice for weekends at home and lots of happiness with Darrel; to Sprout a cherry soda pop and some chocolate-covered cherries for when she says "I'm "I'm hungry!;" to Gina an upside-down trailer, the same waitress for crazy times at Pizza Hut, and a lifetime with Billy; to Renee a bottle of hand cream and a rubber duck for bathtub use; and to all future seniors, a bottle of aspirins for headaches. Hope yall have fun!!!

I, Dot Watson, being of little mind and medium body, will to all my fellow classmates lots of happiness in life no matter where they are; to the remaining people at PHS, more happy years.

Debby,

Do one wild n crazy gal. that I've enjoyed knowing. We've had alot of wild & fun times together. Like the time we all went skating and the car broke down and then we went to the restaurant (all those cold ones) Never forget the time we went to Cripland. We were all flying pretty high that day (especially those "flying ducks") Good luck with Billy and all those horses and stumps. (God knows you'll need it) Good luck in the future & with whatever you do.

Love ya,
Michelle

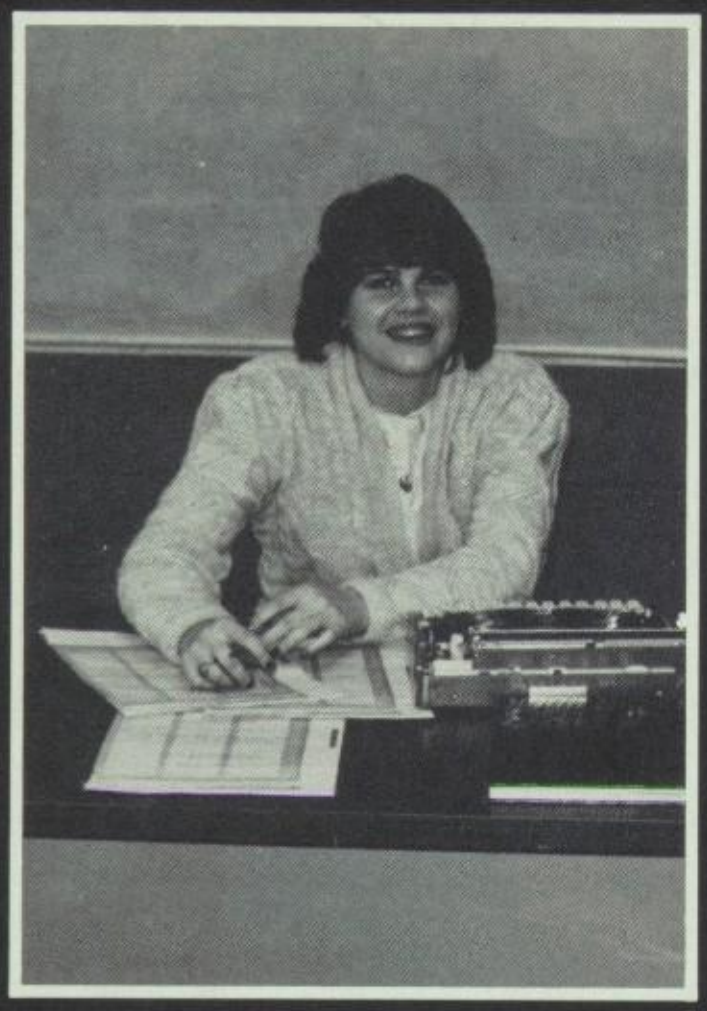
Alma Mater

Dear Palmersville, Our Alma Mater
Thy Praise We Sing With Heart and Voice.
Thy Black and Gold Flow Proudly O'er Us,
While in Thy Glory We Rejoice.
So Stand Thy Brave Old Trees About Thee,
Strong as Thy Branches Wave in Storm.
So Stand Thy Children to Defend Thee,
While Love in Every Heart Beats Warm.



In all our years to come, we are sure many of us will always miss the memories of our years at Palmersville. So the yearbook aff has sincerely tried to compose a book full of memories for the '82-'83 year. We must say, it has been quite an experience!

We would like to give special thanks to our advisor, Mr. Oliver, for his help and support. We must also thank all our teachers r their cooperation in letting us out of their classes for meeting deadlines. Also, we cannot forget to thank the staff for all eir hard work and effort in making this yearbook a success.
